If you click on one of the images it will take you to many more photos.

The website is produced by – PINTEREST

**Pinterest** is a web and [mobile application](#) company that operates a software system designed to discover information on the World Wide Web, mainly using images and on a smaller scale, [GIFs](#) and videos. The site was founded by [Ben Silbermann](#), [Paul Sciarra](#) and [Evan Sharp](#). Pinterest has reached 200 million monthly active users as of September 2017.<sup>[5]</sup>

Pinterest CEO Ben Silbermann summarized the company as a "catalogue of ideas" that inspires users to "go out and do that thing", rather than as an image-based [social network](#).

"Pinterest" will then try to recruit you as an account. It suggests and asks for 5 interests – choosing them commits the reader to nothing of consequence.

Nothing special is asked though it takes around 5 screens

You can continue without choosing the bottom option but then this form interferes regularly.

So I 'joined'

Perhaps to me 'wearisome' though ultimately interesting and worthwhile.
